

Denham Green Academy News

Message from Mrs Kilyan

Dear Parents/Carers,

Happy new year and welcome back after our first full week back. I hope your break was relaxing and you were all as raring to start the term as we were.

This time of the year is always full of hope, determination, and of course new year's resolutions; and this has certainly entered our Denham Green building. The teachers have been working hard on planning lessons to move your children's learning forward and we are constantly looking at ways to add creativity to our learning. This will be seen next week on Monday in Year 4, where they are launching their new topic: Anglo Saxons, with a themed day full of activities to build their curiosity for their new learning.

In addition to this, the office and I have been working on creating an academic calendar so that we can provide you with plenty of notice for events throughout the year. This will help us all to feel organised and prepared. This calendar is attached to the newsletter and any new dates added throughout the year will be shown in red. I hope you will find this as useful as we do.

Finally, as we start a new year, it's a great chance for us to remember the importance of being kind. This is especially true when sending dojos and emails to each other. Whilst most of the messages we receive are positive and supportive, sadly some can be quite abusive and threatening. I ask that before you press send, please take a moment to think how you might feel receiving the message because we are all here with a common ground: to teach, nurture and care for the children at Denham Green.

Have a wonderful weekend.

Mrs Kilyan

ParentPay

Please ensure you're ordering meals for your child on ParentPay. All orders need to be made a week in advance. For week commencing 22nd January please order by 5pm on Monday 15th January.
