Message from Mrs Kilyan

Dear Parents and Carers,
February is finally here, after what felt like an extremely long January, and another week has been filled with learning, exploring and fun. The teachers have shared a selection of photos to capture the week – enjoy!

Next week is Children's Mental Health Week which we will be raising awareness of around school. The theme this year is **My Voice Matters** and is about empowering children and young people by providing them with the tools they need to express themselves. Find out how you can get involved and raise awareness at home:

We are also getting ready to welcome you all into school on **Thursday 8th from 8:30-9:15** as the children share their learning from the term so far. It will be a great opportunity for you to see the classrooms where your child/children work, meet the teacher and co-teacher and to spend time looking through their books.

I look forward to seeing you all on Monday. Until then, have a wonderful weekend.

Mrs Kilyan
