

## Maths: Multiplication and Division

### Length and Height

Y2 will be continuing with Multiplication and Division (2,5 and !0 times tables).

They will be measuring objects, comparing and ordering measurements.

## English: The Snail and The Whale by Julia Donaldson

Y2 will be hearing the story of the whale who makes a sea snail's dreams of travelling, come true.

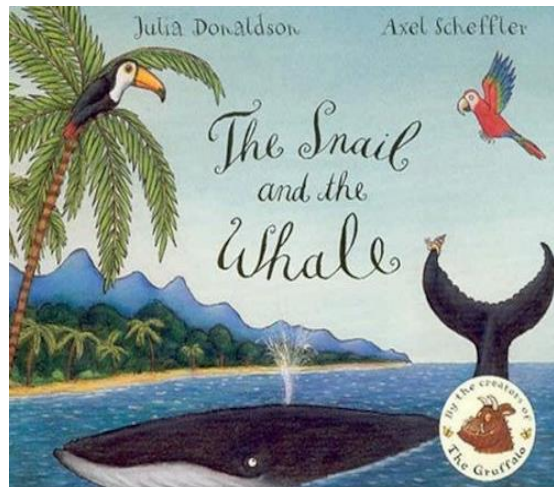

Their writing will include: setting descriptions, a fact file, retelling a story, writing their own letters, poetry and a diary extract.

During SPAG on Mondays they will cover –

- Using adverbs
- Using conjunctions
- Using suffixes
- Adjectives in description

## Art: The Human Form

Exploring how bodies and faces are portrayed in art: looking at works of art, creating collages, drawing portrait, creating a peg figure and collage.

## PSHE – Healthy Me

Children will learn how to keep their bodies healthy through eating, relaxing and exercising.

## Science: Space

The children will learn about space, the planets and space exploration.

## RE: Easter – Resurrection

How important is it for Christians that Jesus died and came back to life after his crucifixion?

How do we cope with sad feelings?

What is Heaven and what is it like there?

## Music: Theme - Space

Developing knowledge and understanding of dynamics, timbre, tempo and instruments. Learning to compose and play motifs.

## Computing: Data and Information

Using pictograms to read data.

## **\*Industrious Y2\***

It was a pleasure to see so many of you come to visit the class in their learning environment last half term, the children were very excited and happy.

I was able to spend some time visiting family and friends again in Northern Ireland over half term, (along with my wee grandman). We visited castles, Ikea x 4, the beach and the highlight was the Titanic Experience which Ru had been waiting for two years to go back to, (he amazed me with his memory of the layout).

The class have continued to write longer pieces of text, which has been great to see. We are now completing sessions where we answer questions from a text or an image using various techniques, in preparation for their assessment tests.

Our Hot Chocolate Friday and Recognition Board have been great for acknowledging those children who are continually doing the right thing throughout the week/day.

### **P.E.**

Tuesday and Wednesday are still our PE days. Please ensure that your child is wearing the correct PE kit and trainers.

This half term we will be learning skills in parachute games and yoga.

### **Homework**

Maths will be based on the previous week's learning.  
Grammar will be set once a week on Mondays.

### **Reading**

The children will receive a LW Phonics book each week to take home and in class will have a book which they have chosen from the Book Corner.

Please encourage your child to read, ask them questions and sign their reading record.
